

Wine and Spirit List

Our Love for Wine

“Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing.”

— Ernest Hemingway

At Bref and Gai @ M Resort, our love for wine extends beyond the glass—it is a companion to our cuisine, a reflection of the land, and a tribute to the hands that cultivate it. We believe in wines that tell a story, those crafted with passion and precision, from vineyard to bottle.

France is our first love, a natural choice given Chef Darren’s time living and working there. Each year, we return to its classic regions and lesser-known villages, where extraordinary wines are made by dedicated artisans who remain untouched by fleeting trends. With every visit, we renew friendships, discover hidden gems, and deepen our appreciation for each vintage.

In curating this list, we offer a thoughtful selection of wines by the glass and in smaller formats—an invitation to explore, taste, and experience the harmony between chef and oenologist.

Let the adventure begin.

Chef-Patron**

Selection of the Quarter

Lamberto Frescobaldi

Luce is the result of a project launched in the early 1990s and lead by Frescobaldi and Robert Mondavi. Since 2004 vintage, the direction of Luce was entrusted solely to Lamberto Frescobaldi.

The altitude and southern exposure of our vineyards support a slow and complete ripening of the grapes producing wines of great concentration and vigor. Cool, breezy nights help preserve the aromatic complexities of the grapes.

Sommelier's Picks by the Glass

"By the glass" often means mass-produced wines at a steep markup. At Bref and Gai, we see it differently. To us, it's an opportunity—to make a statement, to offer a warm welcome, to share something truly special. Our selections are handpicked, ever-evolving, and crafted by dedicated winemakers who care as much as we do. Let us pour you something worth savouring.

WINEMAKERS COLLECTION FROM CRUS BOURGEOIS EXCEPTIONNEL

These wines deliver value, and very good wine drinking if you know which wines to look for. At their best, there are Cru Bourgeois estates that compete with much more expensive Bordeaux chateaux. In fact, in some cases, compete might not be a strong enough term. At their best, the top Cru Bourgeois wines can be better than some of the more famous, and more expensive 1855 Classified Growths.
